

BEST 34 INTERIOR DESIGNERS OF SHANGHAI

Shanghai Interior Designers and architects benefit from working in one of the few cities in the world that evoke history, excess, glamour, mystic, and exotic promise. The city's period of greatest cosmopolitan excess – the 1920s and 1930s – left the city with splendid examples of art deco buildings, most of which survived the vicissitudes of the 20th century.

COVET·HOUSE
CURATED DESIGN

THE MOST POWERFUL TOOL

TO INSPIRE AND TO BOOST CREATIVITY

LONDON . PARIS . NYC . PORTO

01 101 DESIGN

101 Design is a professional and innovative design firm that offers creative residential and commercial design solutions and interior decorating to clients in Greater China, including Taiwan.

02 AEDAS SHANGHAI

Aedas is the world's only local and global architecture and design practice driven by global sharing of research, local knowledge, and international practice. Our 1,400 creative minds with design studios across the globe create world-class design solutions with a deep social and cultural understanding of the communities we design for.

03 ATELIER I-N-D-J

This Shanghai-based multidisciplinary design studio is known for tackling many challenges relating to architectural, spatial, and product design. It was created in 2013 by Ian Douglas-Jones, whose extensive experience in architecture is the essence and basis of the studio's output. With less than 10 years of experience, they've managed to earn many relevant awards and honors, one of them being a part of A.D.'s Top 100 Most Influential Architects and Designers 2017.

04 B+H

B+H is another design giant that chose Shanghai as one of the places to establish an office as well as take on several interior design projects. B+H has a wide range of activities for establishments such as workplaces, healthcare, hospitality, residential, retail, among many more.

05

CARPETSTAN

Interiors by CarpetStan is a business focused on interior textile, design, and trading. They started their business in Shanghai in 2007. CarpetStan's range of textiles includes designer, antique, modern and tribal carpets, kilims, and carpet furniture. CarpetStan is the place to find lasting and collectible textile items that are environmentally sustainable and aesthetically stunning.

06

CHINA RED STAR – THE SHOUTER

THE SHOUTER advocates the brand concept of “design is fun”, aiming to serve every consumer group pursuing independent aesthetics and interesting experience. Just like the definition of trendy clothing by fashion buyers, THE SHOUTER aims at designing trendy home furnishings.
