This contemporary dining room shows off the beauty of a simple interior decor. Based on a white color scheme, the golden details shine through in the unique dining table (**KOI II**) and the golden ceiling chandelier (**AURUM**). The velvety dining chairs (**ZULU**) add another layer of texture complementing the modern look of this room designed by Brabbu.

This exquisite glass dining table (**KOI**) belongs to Brabbu's incredible KOI Collection. The modern design of the room is complemented by an extravagant chandelier, called **SOLEIL**, and the beautiful **OKA** grey upholstery chairs. On the modern table for four you can see two exquisite porcelain pieces with beautiful white flowers adding to the room a touch of freshness.

This Wood Dining Table is a Perfect Fit for a Bigger Family

This wood dining table is a perfect fit for a bigger family. Known as the **APIS II**, this dining table for 8 is a perfect match for the contemporary dining chairs (**NAJ**). The contemporary design of this modern dining room also has the **HORUS** Suspension Light which is a lighting piece composed of round shape lights by Brabbu.

Here We Have a Project of What an Expensive Contemporary Dining Room Can Look Like, by Brabbu.

Here we have a project by Brabbu of how an expensive contemporary dining room can look like. As you can see this interior design is all about highlighting of the golden details. The **PLATEAU I** is an oval dining table inspired by the Monument Valley, in Arizona. However, what makes this modern dining room look like a million dollars is the velvety dining chairs (**NUKA**), upholstered in a silver fabric.

If you're looking for a sophisticated and modern room this example by Brabbu is the right one for you. This modern chic dining room has a white marble dining table, also known as **AGRA**, complemented with the **BOURBON** velvety dining chairs that add a layer of texture to the room. The contrast between the navy blue upholstery and the crystal ceiling chandelier (**NAICCA**) gives a glamour touch to the room.

PLATEAU II is the name of the uniquely shaped table that we can find in this contemporary dining room. The crystal details in the ceiling chandelier (**NAICCA**) and the gold lighting fixtures on the wall (**VELLUM**) promises to surprise your friends and family. The modern touch is given by the geometrical mirrors on the wall.

Marble furniture is a nice way to add some glamour into a modern dining room as you can see in the picture. The oval dining table (**AGRA II**) and the white marble sideboard (**AGRA**) belong to the same furniture collection created by Brabbu. The marble table for 6 highlights the beauty of the dark orange color of the **NANOOK** dining chairs.

This wood dining table called **METAMORPHOSIS** is an example of an exquisite table for 8. The luxury design of this dining room, designed by Boca do Lobo, turns around the golden details. It includes a circular golden mirror (**ROBIN**), a gold ceiling pendant (**NEWTON** Chandelier) and a modern fireplace with golden details. Not to mention the beautiful N° 11 dining chairs that represent the luxury style at its best.

Most of the times, wood and gold details give that extra touch to the luxury design style especially when we are talking about designs by Boca do Lobo. In this high-end dining room, the combination between the round dining table (**PATCH**) and the black upholstery of the N° 11 dining chairs becomes a true success thanks to the golden details in both furniture pieces. However, the luxurious statement piece is definitely the eccentric golden chandelier (**SUPERNOVA**) that was inspired by the cataclysmic explosion of a massive star.

In this modern yet luxurious dining room by Boca do Lobo, the green color scheme shines through. The **BONSAI** is an interesting dining table for 6 that was inspired (as the name says) in the Japanese bonsai trees. As you can see the main furniture pieces, like the green marble table and the green upholstery shows of the main theme of the room. The eccentric ceiling chandelier by DelightFULL, called **CANNONBALL** , is what makes this bespoke furniture shine.

The Golden Details Continue to Shine Through in the Luxury Interior Design by Boca do Lobo.

The golden details continue to shine through in the luxury interior design by Boca do Lobo. The **HERITAGE** dining table is a unique table for 6 that fits perfectly in the luxury style. A part of the brand's Heritage collection, this glass dining table has a base with hand-painted tiles that will remind you of the Portuguese culture. The black and gold dining chairs (Nº 11) matches the modern floor lamp designed by DelightFULL, called **BRUBECK**.

Gold and Black are Recognized as the Luxury Colors.

Gold and black are recognized as luxury colors. The luxury decoration of the room includes a solid gold dining table (**FORTUNA**) and an old crystal ceiling pendant which reminds you of the **BABEL** Chandelier by Luxxu. This incredible dining room, created by Boca do Lobo is perfect for a person who has a luxury lifestyle.

Once again the black and gold color scheme is the main character of this luxury dining room by Boca do Lobo. This dark and bold interior design has a modern style black marble dining table (**BONSAI**) combined with three exquisite dining chairs. The golden ceiling pendant (**GUGGENHEIM**) with little black Swarovski crystals is an example of leading-edge architecture.

When you look at this exquisite dining room, the first thing you see is the **VENICE**. Wall mirror which highlights the incredible ancient craft of glasswork. This high-end accessory in the middle of two **METAMORPHOSIS SCONCES** which are two small gold wall lamps. In front of it, and from the same collection, we see the **METAMORPHOSIS** dining table. The combination between the wood based dining table and the black and gold dining chairs, add a luxury touch to the design of this incredible project by Boca do Lobo.

If you are into an interior design outside the box, then you must incorporate in your project the **NEWTON** dining table, from the Boca do Lobo's Newton Collection. This oval dining table for 4 has a unique shaped base inspired by the atom. It's a luxury statement piece created with the best high quality materials. This incredible statement piece is complemented by the modern design of the **COLTRANE** suspension lamp by DelightFULL.

Stepping into this mid-century modern dining room, we can see how to mix different patterns in a successful way, which is the case of the Anderson Rug (by Essential Home) and the unique wallpaper. The green upholstery of the Jones Dining Chair goes really well with the glass dining table (**WINCHESTER**) and the **SIMONE** modern suspension lamp by DelightFULL.

This incredible dining room by sister brands, DelightFULL and Essential has mid-century style that explores the multiple shades of blue. As you can see in the picture the light blue tile leather chairs (**GABLE** dining chairs) contrast beautifully with the navy blue walls. The mid-century dining room also includes a glass and marble dining table (**VINICIUS**) and an amazing modern ceiling lamp, called the **HENDRIX** Suspension.

As you enter this mid-century modern living room you will look immediately to the incredible **BOTTI** pendant, from the Heritage Collection of DelightFULL. This amazing masterpiece goes really well with the glass dining table and the modern dining chairs. The modern design of this table for 4 shows off that simple things can fit really well in the interior design of the room.

Who Could Tell That the Pink Color Scheme Could Turn Your Dining Room into an Amazing Mid-Century Style Space.

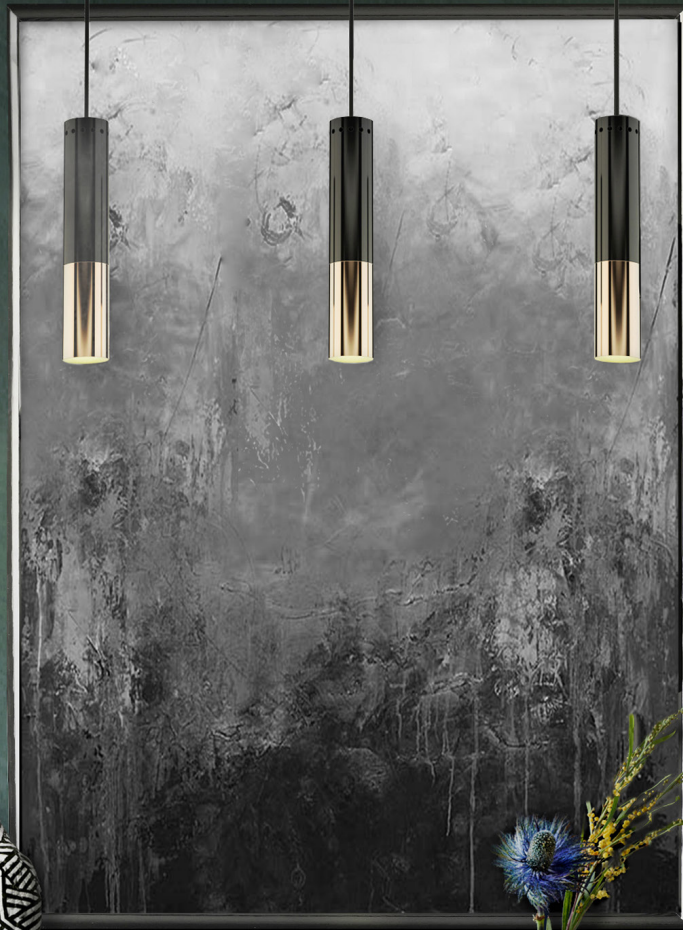

The dark orange upholstery with the golden details in the amazing **MARIE** dining chairs, by Essential Home, takes you back to the 70's where the vintage style was quite popular. These modern dining chairs are the stand out piece of the room and are further enhanced by the black marble dining table and the black modern spherical lamps, **NEIL** suspension, by DelightFULL.

Who could tell that the pink color scheme could turn your dining room into an amazing mid-century style space. The dark pink velvety dining chairs (**COLLINS**) and the mid-century sideboard (**EDITH**) both by Essential Home, contrast beautifully with the soft pink walls. The golden details in the **DIAMOND** shaped mirror and the round dining table (**WORMLEY**) is what brings it all together. The elements go really well with the modern style of the **MATHENY**, a golden table lamp by DelightFULL.
