This interior design project is quite balanced, even with the dark bathroom colors that was used. The KOI rectangular vessel sink (by Maison Valentina) on the Metropolitan washbasin, is a crafted sink from the brands ATO Collection. The three modern lamps on the wall (**Chuck**) by DelightFULL is an incredible well thought detail in this luxury design bathroom.

This luxury design project shows of the season's bathroom trends in luxury hotels. The design is inspired on a white marble décor, with little black and gold details which you can find in the Amy lighting fixture by DelightFULL. One of the decor details that luxury hotels are incorporating on their luxury bathrooms is the bathtub as a statement piece of the room. In this case you can see an all-white bathtub, set near the magnificent window, complemented with Essential Home's Konstantin Side Table. This furniture piece brings a mid-century touch to the bathroom design.

The stand out of this simple bathroom design is definitely the Etta wall lamp by DelightFULL, thanks to the neutral colors of the bathroom décor. This unique copper lighting was named after the iconic jazz singer, Etta Jones. It's feminine and luxurious touch can transform any ordinary bathroom décor into an oasis of sophistication.

This a great example of what a mid-century modern bathroom can look like! The exclusive design of the white and gold bathtub (**Symphony**) by Maison Valentina matches really well the golden details on the geometrical wall mirror (**Diamond**) and on the blue velvety stool called Florence, both by Essential Home. For lighting the interior designer has chosen two black and gold vintage pendants (**Hanna**), from DelightFULL, which fits perfectly in the mid-century style that was used on this bathroom inspiration.

THE LUXURY EXPERIENCE OF A BESPOKE BATHROOM

On this bathroom inspiration the simplicity of the all-white bathtub is highlighted with the bold design on the exquisite golden chandelier (**Matheny**) from DelighFULL. You can feel the true statement of luxury with this modern ceiling lamp. Next to the modern bathtub you can find once again the golden details in the Mecca side table from Brabbu. Based on a minimalistic décor, this luxury bathroom can provide an incredible luxury experience of a relaxing bath after a long day at work!

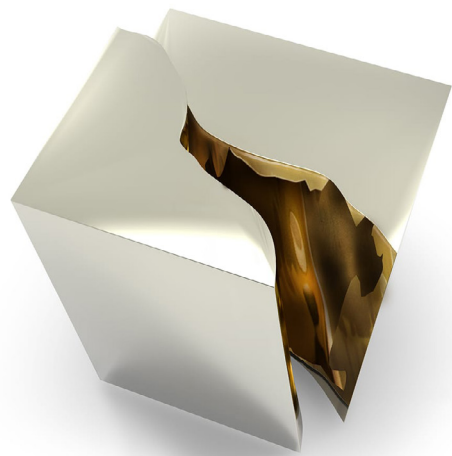

Crown Mirror: More than just a simple piece of art, this round shape mirror represents a living tribute to the beauty. The breathtaking combination of smoked black mirror and gold plated brass, challenges the notion of exquisiteness and breaks all the creative boundaries. Is the perfect bathroom accessory for your unique bathroom project.

Victorian with hand shower tap: This one of a kind tap with a hand shower included stands for its classy and luxurious look ease of use. This floor tap is perfect for Free-Standing Tub's which are unconnected to walls and need space and a water supply that reaches it.

Colosseum Tall Storage: This luxury storage cabinet includes a full length mirror both in the front and in the door back. The interior is decorated with an elegant wood veneer, LED strips for a soft light and four shelves that provide plenty of storage space. It's neutral color scheme make this a sober piece that can fits in any type of bathroom decoration.

Lapiaz Side table: This luxury furniture piece reflects elegance and exclusive décor taste. The minimalist geometric exterior surface with the organic and golden richness inside it. The bespoke bathroom side table was inspired by the karst formations and cracks found on the surface of limestone and dolomite rocks.

The two Symphony freestanding by Maison Valentina looks beautifully in the mid-century style bathroom. The combination of DelightFULL's black and gold suspension lamps (**IKEA Pendant**) matches the colors of the luxurious hand-crafted freestanding. The room is complemented by the amazing bathroom accessories like the unique wall mirror (**Wilde**) by Essential Home, and the Eden towel rack by Maison Valentina. The final result of this modern bathroom is spectacular!

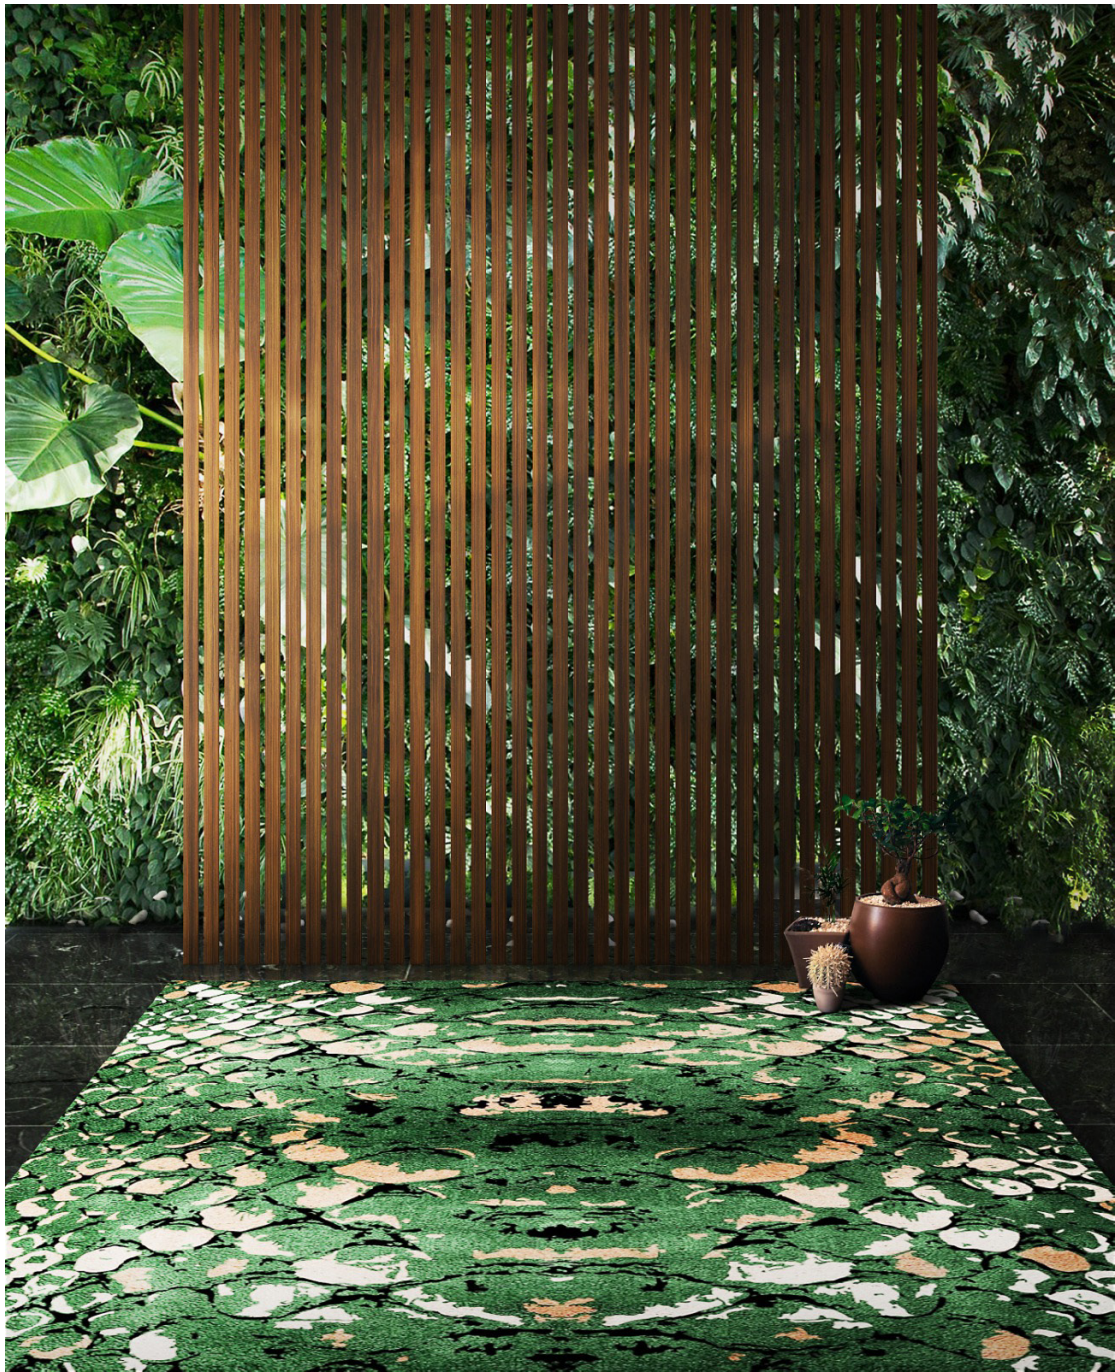

This incredible bathroom inspiration is perfect for any luxury home. The luxury design is a success thanks to the luxurious collection of the bathroom furniture and accessories. As you can see, the interior design of this luxury bathroom has two elements of Maison Valentina's KOI Collection (the **KOI bathtub** and the **KOI freestanding**). Both of these bespoke décor elements were inspired by scales of the iconic Japanese fish, the Koi carp. The rest of the bathroom decoration is complemented by the brand's exquisite Venice mirror and DelightFULL's golden Brubeck XL lamps.

This contemporary bathroom set is all about the upgrade of the classic style. Inspired by the natural beauty and texture of the wood, the bathroom décor shows of the color trends of the contemporary design. The modern touch of the bathroom is given by the Clark suspension lamp from DelightFULL. This golden chandelier has an expressive harmonic beauty and can be custom made in copper, nickel or aged brass finish to fit perfectly in your interior design project!

The incredible gold chandelier (**Matheny**) by DelightFULL is the centrepiece of this luxurious living room. The minimalist wooden sideboard doesn't clash with the remaining decor, while the modern table lamp (**Billy**), also by DelightFULL, is discreet but stylish.

Some people think that the tropical theme is not wordy for being in a bathroom project, however this design style can look really good in a contemporary bathroom. For example, the color scheme of the Reptilus rug by Rug's Society would look amazing with white and gold bathroom furniture and accessories. Picture on this incredible savage rug the Symphony bathtub combined with a simple hand-crafted golden towel rack, like Eden by Maison Valentina. The contrast of the green and brown colors with the white and gold color tones would give a million dollars look to your contemporary style project.

This luxury bathroom has an interior design that is quite bold and outside of the box. All of the décor is based in a black and gold tones that are, as all the design lovers know, the colors of the luxury style. The unique shape of the Newton bathtub marks an outstanding moment for design inspiration. Since it has black and gold spheres the rest of the bathroom décor as chosen with this detail in mind. The circular wall mirror (**Ring**) from Maison Valentina highlights the natural beauty of the two Eden freestands. With a bathroom like this in your home, your everyday bath will turn into a true luxury experience.

The interior design of this modern bathroom project was created around the amazing Symphony washbasin from Maison Valentina's Symphony collection. This luxury furniture piece is made entirely of wood with a gloss black varnish, then finished with a gold plated brass tubes structure which gives it that luxury touch. This luxury washbasin is perfect for a modern style master bathroom. You can highlight it with some bathroom accessories like the golden wall lamps (**Cyrus**) by Brabbu, and a wall mirror with golden details, like the Belize Mirror by Brabbu.

The luxury design of this bathroom project is just breathtaking! The combo of the Diamond bathtub from Maison Valentina with the unique marble inspired wallpaper is just beautiful. However, the real stand out of this room is without a doubt the crystal and gold chandelier (**Trump**) by the luxury lighting brand Luxxu. The golden details across the amazing bathroom décor is what brings it all together. A nice relaxing bath in this luxury bathroom is truly a luxury experience.

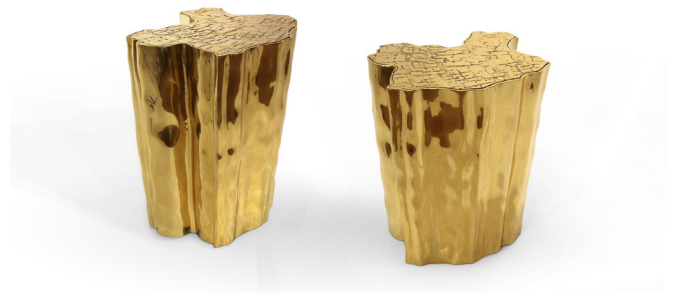

A luxury home deserves a perfect inspirational bathroom. The white and gold color shades on this design projects reminds us of the land of the ancient Greek gods. In the luxury design of this bathroom project, we can find some luxurious bathroom furniture and accessories from Maison Valentina, like the two Lapiaz freestanding which was inspired bin the typical karst formations created by the dissolution of limestone rocks. The unique wall mirror called Apollo was named after one of the most important Olympian Gods, and goes really well with the Eden towel rack.

Lapiaz Vessel Sink: This irregular shaped piece, custom made in casted brass that can be Gold, Nickel and Copper Plated, will add to your bathroom the modern look you are searching for. You can combine it with multiple bases and taps from any size or shape creating your own unique design for your luxury bathroom project.

Cristal Larzak Surface: The French Larzac Desert in France inspired the creation of this art panel. Resembling a big slab of marble in beautiful beige and caramel tones with golden glitter details, this surface is truly breathtaking. A true statement of luxury design.

Eden Side Table: Inspired by the mystic behind the name, this side table is a representation of a part of the tree of knowledge and the tale of the birth of desire. Fully made of polished casted brass, with a delicately engraved top this incredible bathroom furniture will look amazing in your luxury bathroom.

Colosseum Floor Mirror: The full length floor mirror is supported by a nero marquina marble base and the frame structure was designed in polished brass tubes, assembled to produce an oblong shape. The rings rotate 360 degrees, making this mirror a flexible and perfect piece to decorate your luxury bathroom.

As you enter this exquisite bathroom project, the first thing that you'll notice is the incredible golden dressing table (**Sinious**) for the lucky owner of this luxury home. The bespoke furniture piece offers a lot of storage space thanks to its four drawers on the top and five on the bottom, and if you pair it up with the incredible Mandy Stool, you'll end up with the perfect and luxurious beauty space for your master bathroom. On the bathroom project, above this incredible masterpiece, there are two modern black and gold suspension lamps (**IKE Pendant**) by DelightFULL for incredible lighting.

This all-white bathroom set is an example of a refiner bathroom project. The interior design looks expensive thanks to the golden décor details on the Crochet washbasin and on the Kayan mirror , both by Maison Valentina, which is a unique mirror inspired by the neck rings used by the kayan women. If you look closely in the luxury washbasin you'll see that the golden details are inspired by the traditional Portuguese knitting technique, which can be crested by master artisans. The lighting choices for this luxury bathroom were the DelightFULL' best sellers Galliano modern wall lamps with a minimalistic design.

Stiletto Bench: This luxurious stool is a button tufted bench upholstered in velvet. It features brass stiletto legs that are inspired by high heels, providing a sharp and sleek look to your bathroom. Feminine and seductive due to its delicate lines, it's a desirable piece for any modern luxury bathroom.

Vinicius Side Table: An hourglass shaped side table, finely produced in Nero Maquina marble is the perfect example of duality and contrast. Vinicius is accentuated by a gold plated brass center piece and its sleek curves add a refined statement to any interior decor.

Victorian two-hole mixer tap: If you are looking for a functional solution that enhances any washbasin or freestanding classic look choose the Victorian. The several finishes you may choose from enable a customized look to your luxury bathroom project.

The earthiness of this contemporary bathroom goes really well with the Soleil wall light, a Brabbu reinterpretation of that sun that brings warm light to the bathroom project. The Yoho stool by Maison Valentina, inspired by the expansive glaciers and impressive waterfalls of the southeaster British Colombia, add that luxury touch to the contemporary style of the bathroom design.

This bathroom inspiration has a futuristic twist on its interior design. The black color on the walls and floor contrast beautifully with the golden details on the KOI washbasin and on the modern mirror by Maison Valentina. The unique shape mirror called Guilt is a modern reinterpretation of the sun. The gold color pops right out as the light from the Brubeck pendant lamp (DelightFULL) hits.

The luxury design of this bathroom inspiration is incredible because it was all there until the last little detail. The golden detail of the Lapiasz bathtub matches the gold and crystal pendant (Trump) from Luxxu. Through the mirror effect of stainless steel from the bespoke bathtub you can see the reflection of the diamond shape freestanding (Diamond) created by Maison Valentina.

In this bathroom project we can see the hand-crafted metal work on the Maison Valentina's KOI Collection at its best. The luxurious upholstered stool (KOI) with a velvety texture is setting right next to the incredible hand-crafted washbasin (KOI). The contemporary bathroom project was complemented with the collection's bathroom accessories like the two towel rings (KOI) and the KOI mirror which add a luxury style touch to the design project.

The stand out piece of this modern luxury bathroom is the emotional cylindrical tub, called Symphony bathtub, an elevated design from Maison Valentina inspired by music. Right on top this incredible bathroom furniture is the Majestic suspension lamp by Luxxu, a symbol of the exclusive design.

If you look closely at the wallpaper details you'll see the main bathroom colors. The black furniture bathroom, like the Metropolitan washbasin by Maison Valentina, and black accessories (the Ring Rectangular mirror and the IKE suspension lamps, from DelightFULL) contrasts beautifully with the whiteness of the walls and the floor. This is a perfect example of how you can mix the luxury style with a mid-century touch in your modern bathroom project.
