

TOP 100 GIANTS

spotools

**BY ALL INDICATIONS,
2017 WAS A STELLAR YEAR.**

Total design fees hit \$4.1 billion, a 5 percent gain from the previous survey and a 70 percent gain over the past decade.

This matched the Giants' own forecast, and they expect \$4.4 billion next time.

1 GENSLER

With more than 3,500 active clients, Gensler works across the global economy. Their clients are remarkably diverse: large and small, private and public, for-profit and nonprofit. They help them grow, sustain and transform: whatever it takes to embrace their future.

Gensler is widely recognized as the world's leading collaborative design firm, not just the largest. The ability to work together as an integrated team is part of our DNA, and they've embraced it at every level, from their Co-CEOs to their studios and project teams.

The focus of Gensler leadership is on serving their clients effectively wherever they need their services.

47 CBT

They create authentic, engaging, high-performance design solutions where every detail matters.

Their people bring a broad range of backgrounds and talents to their team. Bound by a cooperative outlook and a passion for holistic design, they work together, bridging sectors, sharing ideas, valuing individual expression, and having fun.

Bound by collaborative energy, dynamic talent and inspired by over five decades of design innovation, CBT is a leading design firm working locally, nationally and internationally in architecture, interior design and urban design creating tomorrow's landmarks.

BOARD | George Yabu
Glenn Pushelberg

OFFICES | 2 (Around the World)

The Yabu Pushelberg studios redefine how the world sees and experiences the built environment. The work is designed collectively; it is imaginative, thoughtful, and honest, while continuously moving between the rational and the intuitive.

It is this interchangeability of their individual roles, that in unison, is distinctive.

George and Glenn's partnership is peerless, and their innate abilities have made them thought leaders in the design world. They are dedicated to deliver the unexpected, they constantly shift visual paradigms within every project.
