Round Shapes

Popular in the 60's curved soft furnishings have now take hold on tabletops and even suspension lamps, but their return to sofas and seating make it one of the most intriguing and even covetable interior design trends.

The Barceló Torre By Jaime Ayona

Project By Owe Martirez

Poltrona Tirella, Design Paolo Grasselli

Apartment in New York by Reutov Dmitry

An ode to the 1970s, this retro-inspired trend sees soft and fluid silhouettes that project a feminine aesthetic. The continued softening of interiors with curvy shapes and organic, rounded edges, are another way of embracing the relaxed feel.

Florence Stool By Essential Home

Kvistad Design Studio

Terzo Piano Interior Design

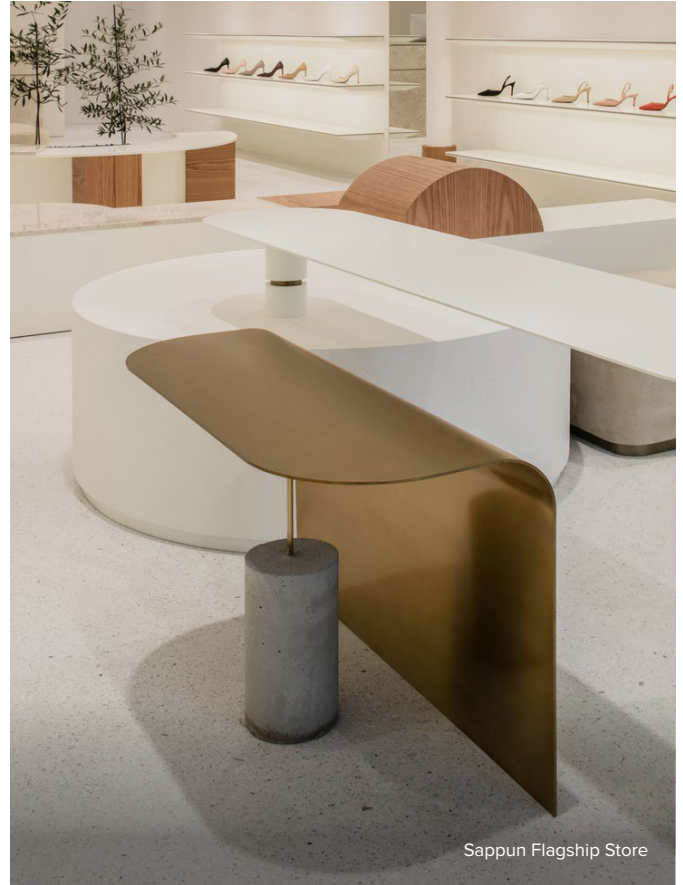

The past few years we have seen a lot of sofas, chairs and benches with ruler-straight lines and sleek, simple contours. This year though, those pieces are out in favour of furniture with non-symmetrical shapes and playful curves. The past few years we have seen a lot of sofas, chairs and benches with ruler-straight lines and sleek, simple contours. This year though, those pieces are out in favour of furniture with non-symmetrical shapes and playful curves.

Credits to the Owner

As you can see by some projects the definition of “round” goes way beyond just mere perfect circles as it can actually include ovals, egg-shapes, ellipses, arches, curls, cylinders, rings, among many others.

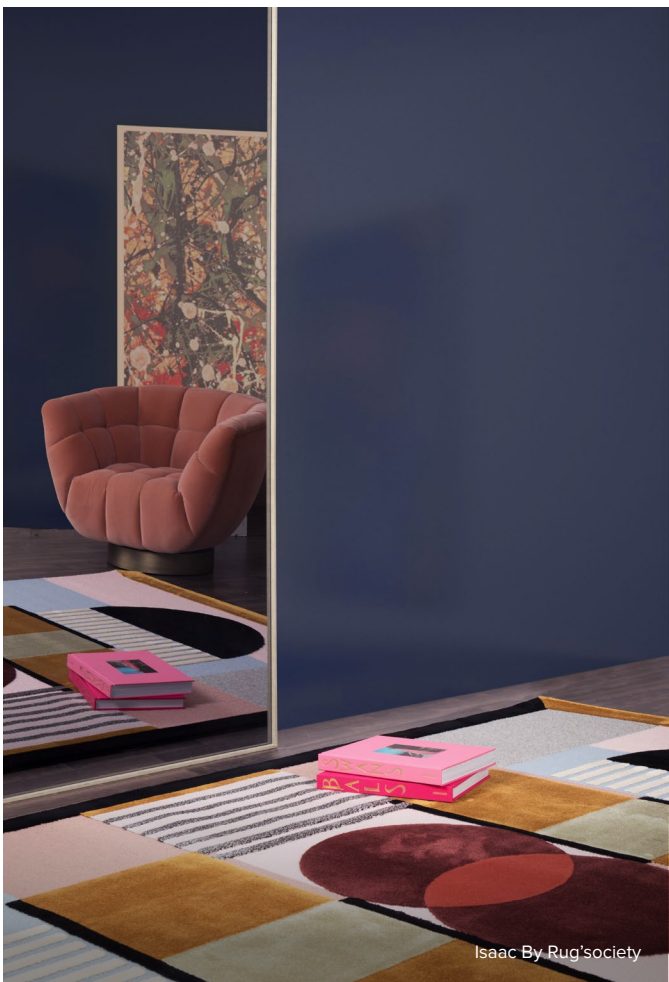

Pâtisserie Kanoun

John Anthony Restaurant Hong Kong

Project By Ekaterina Lashmanova

Isaac By Rug'society

Littus Dining Table By Luxxu

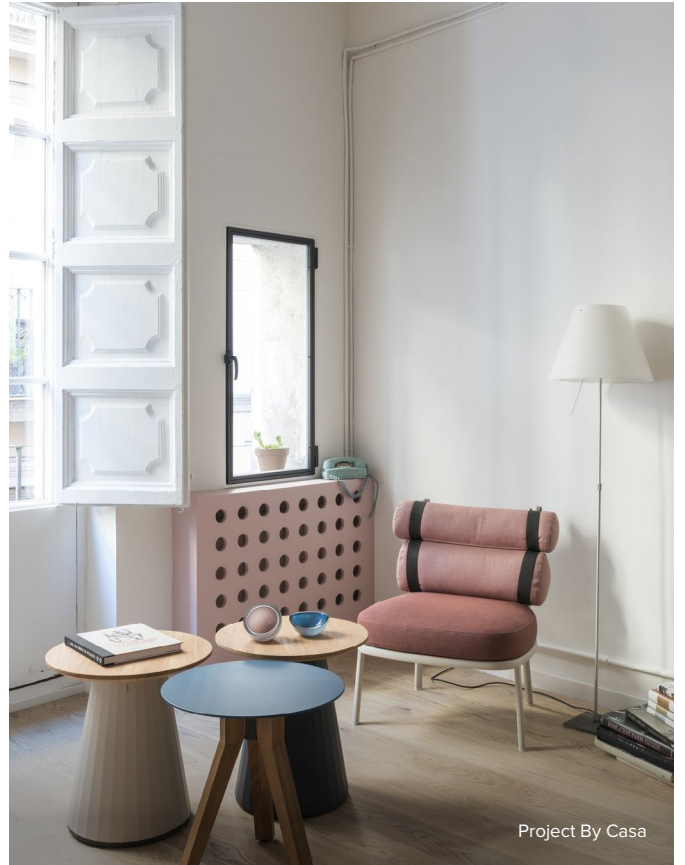

Gold Screen By Boca Do Lobo

The general idea here is that your home decor needs to have just a few rounded shapes in order to complement with the straight lines and square corners, which every home has, this way, it will tie your interiors together in a fashionable way.
